

## Conference on “COMMERCIALIZING SCIENCE” Baku, October 15-18, 2007

### First day: Grand Opening      **OCTOBER 15, 2007**

09:00 - 09:30    **Registration**

09:30 -11:15    **Welcome Speeches**

- President of the Academy of Science of the Republic of Azerbaijan,  
**Mahmud KERIM oglu KERIMOV**
- Azerbaijan Presidential Administration, Head of Department,  
**Fatma ABDULLAZADEH**
- U.S. Department of State, **Charlie JACOBINI**
- STCU Deputy Executive Director U.S., **Vic KORSUN**
- ISTC Deputy Executive Director - US, **Laura WILLIAMS**
- Acting Director of the Georgian National Science Foundation, **Natia JOKHADZE**
- International Organizations, Embassies

11:15 -11:30    **Coffee break**

11:30 -12:45    **Welcome Speeches (continued)**

A press conference will be held at the end of the morning of 15 October 2007 once the keynote speakers have addressed the participants / Opening of the Technology Exhibition.

12:45 -13:45    **Lunch**

13:45 -14:30    **Research Management in Slovenia - the support for knowledge transfer**

**Tomaz BOH**, Slovenian Research Agency, Slovenia

14:30 -15:15    **Winning on Security! Winning on Innovation! Canada's Redirection Efforts**

**Rana PUDIFIN**, Senior Business Development Manager, Global Partnership Program, Foreign Affairs Canada

15:15 -15:30    **Coffee break**

15:30 -16:15    **Science Promotion and - Approaches to Commercialization**

**Martin NEUBAUER**, Department of International Management at FH JOANNEUM University, Graz, Austria

16:15 -17:00    **The French National Centre of Scientific Research CNRS; tools of cooperation and projects of collaboration with NIS**

**Vladimir MAYER**, Director, Bureau CNRS in Moscow, Russian Federation

17:00 - 17:30    **Technology Exhibition Posters Session**

18:00 - 19:30    **Cocktail**

Conference on “COMMERCIALIZING SCIENCE”  
Baku, October 15-18, 2007

Second day: Training Sessions      **OCTOBER 16, 2007**

- 09:00 - 09:30      **Registration**
- 09:30 - 11:30      **Business Planning and IPR protection**  
Vic KORSUN, STCU DED-US and Oleg ZALOZHENKOV, STCU Patent Officer
- 11:30 - 11:45      **Coffee break**
- 11:45 - 12:45      **IPR Commercialization, Project Management and Promotion of a New Product to the Market**  
PETRUNENKOV A.A., Academy of National Economy under the Government of RF
- 12:45 - 13:45      **Lunch**
- 13:45 - 14:30      **Approaches to Commercialization**  
Sergey MAKAROV, ISTC Commercialization Project Manager.
- 14:30 - 15:15      **Preparing Competitive STCU Proposals: The Current US Review Perspective**  
Steve GITOMER, US Science Advisor to the US Department of State.
- 15:15 - 15:30      **Coffee break**
- 15:30 - 17:00      **Sustainability for Institutes Program and Training Wrap up Session**  
Vic KORSUN, STCU DED-US

Conference on “COMMERCIALIZING SCIENCE”  
Baku, October 15-18, 2007

Third day: Scientific Presentations      **OCTOBER 17, 2007**

- 09:00 - 09:30      **Registration**
- 09:30 - 11:00      **Commercialization and the System of State Support of the Innovation Activity in RF, USA and EU**  
**PETRUNENKOV A.A.**, Academy of National Economy under the Government of the Russian Federation
- 11:00 - 11:15      **Coffee break**
- 11:15 - 12:15      **Technology Commercialization in the United States - with Emphasis on the Experience from the Defense Industry Transition to a Post-Cold War Era**  
**Spiros DIMOLITSAS**, Senior Vice President, Georgetown University, USA
- 12:45 - 13:45      **Lunch**
- 14:00 - 14:30      **Technology Development of Reversible High-Capacity Hydrogenation of Fullerene-Similar Materials and Nanostructural Carbon**  
**Dr. Etibar SAMEDOV**, National Aerospace Agency, Azerbaijan
- 14:30 - 15:00      **Bacteriophage for Treatment of Cow Mastitis**  
**Dr. Tarasi GABISONIA**, G. Eliava Institute of Bacteriophage, Microbiology and Virology, Georgia
- 15:00 - 15:30      **Production of Wide Spectrum of New Products Using Pulse Technology**  
**Yuri RAMAZASHVILI**, Laboratory “Pulse technology”, Georgia
- 15:30 - 15:45      **Coffee break**
- 15:45 - 16:15      **A New High-Performance and Ecologically Clean Technology for Arsenic Sulfide Ores Processing**  
**Prof. Tengiz S. IASHVILI**, Georgian Technical University, Georgia
- 16:15 - 17:00      **EU's FP7 Program**  
**Giles BRANDON**, Project Manager, ASSYSTEM UK Limited, EU  
**Siyavush AZAKOV**, Project manager, SCRIPTS Benchmarking of Innovation, with **Peter MELNIK-MELNIKOV**, STCU NGP Manager

## Conference on "COMMERCIALIZING SCIENCE" Baku, October 15-18, 2007

Fourth day: Scientific Presentations (third day continued)      **OCTOBER 18, 2007**

- 09:00 - 09:30    **Registration**
- 09:30 -10:00    **STCU Partnership Program - useful tool for scientists**  
Peter MELNIK-MELNIKOV, STCU Non Government Partners Program Manager
- 10:00 -10:30    **Nanostructured Shape Memory Alloys Elaborated by the Glass Devitrification and Powder Metallurgy Processes**  
Dr. Mustafa BABANLI, Azerbaijan Technical University, Azerbaijan
- 10:30 -11:00    **Elaboration of New Efficient Technology of Water Cleaning From Oil by Film Flotation**  
Teimuraz MECHURCHLISHVILI, G. Tsulukidze Mining Institute, Georgia
- 11:00 -11:15    **Coffee break**
- 11:20 -12:10    **How Scientists & Researchers Can become more Opportunity Savvy - Anticipating the Future Needs of Society and Business**  
Wolodymyr (Walter) DERZKO, Director Scenario Lab, CERES, Canada
- 12:10 -12:40    **Setting Up Production of Equipment and Filtering Elements for Production of High Quality Potable Water and Purification of Industrial Liquids**  
Ivan V.YAGODKIN, Head of Laboratory for Liquid and Gas Filtration, Russia
- 12:45 -13:45    **Lunch**
- 13:50 -14:20    **How to Find a Partner**  
Tatiana TERYAKHINA, STCU Government Partnership Manager
- 14:20 -14:50    **Clathrate Desalination Technology**  
Togrul SHAKHTAKHTINSKY, Institute of Chemical Problems, Azerbaijan
- 14:50 -15:20    **Diffusion and Ion-Exchange Processes in Chalcogenide Semiconductor Nanoparticles, Formed in Volume of Polymer Matrix**  
Mustafa MURADOV, Baku State University, Azerbaijan
- 15:20 -15:35    **Coffee break**
- 15:40 -16:10    **Development and Commercialization of Medical Devices**  
Iurie NICA, Director of the Center of Medical Technique within the Institute of Electronic Engineering and Industrial Technologies, Moldova
- 16:10 -16:40    **Closing Remarks**  
Vic KORSUN, STCU DED-US
